

CHI ALPHA SIGMA

Excellence in Athletics and Academics

WHO WE ARE

Chi Alpha Sigma is a nonprofit organization that was established to recognize college student-athletes who excel both on and off the field of competition. The organization was founded in 1996 by then DePauw University head football coach, Nick Mourouzis. His goal was to provide outstanding student-athletes with an opportunity to become connected with a fraternal association that aligns their education and athletic successes for a lifetime.

WHAT WE DO

Chi Alpha Sigma recognizes college student-athletes who receive a varsity letter in their sport, achieve junior academic standing or higher after their fourth term semester, and earn a 3.5 or higher cumulative grade point average. Student-athletes who compete for a collegiate club team are also eligible if the club team is overseen by the athletics department at the local chapter.

HOW TO ESTABLISH A CHAPTER

Any four-year institution with an active membership in either the NCAA, NAIA, or NCCAA interested in joining Chi Alpha Sigma must complete a membership application and submit a \$150 initial enrollment fee. To maintain your school's charter, there is a \$100 annual fee. Please visit our website for more information.
